11 First Day of term 3

Hello Everyone,

Today's newsletter brings us to the end of a very busy and productive Semester 1.

Students will be taking home copies of their reports this afternoon. They will also be available via Compass. I encourage you to read the report with your children so they can share with you the learning growth they have been focusing on throughout the year so far. Having read through them all this week I can say I feel extremely proud of the efforts and determination of all our students in striving to be the best they can be. I would like to thank the staff for the time spent in putting reports together. Parent/teacher/student interviews will take place early in term 3 and are an opportunity for further conversation around the academic, social, and emotional learning for our students.

Today we have said farewell to Chaplain Bec. Bec Lanham has been working at Appin Park Primary School for the past 6 years. She has been a passionate and enthusiastic member of our team, putting all our students and their wellbeing at the forefront. Bec has played an integral role in supporting staff with strategies and resources to help all students be their best selves. This morning students presented Bec with a book filled with many kind words and pictures saying just what a wonderful person she is and to thank her for the care she has provided to so many.

In other staffing news, next term we will welcome Jasmine Ammer to our teaching team. Ms Ammer will be teaching in the grade 3/4 area, working alongside Mr Storer. Mrs Beattie will take on a specialist role when she returns part way through term 3.

A reminder about our 2nd hand book stall on Saturday 30th July. The holidays are a great opportunity to clear out and sort books that are loved but no longer wanted. We shall provide information about collection of books next term.

An advance notice for families, that there will be a Student Free Day on Monday 22nd August, for staff to undertake professional learning.

Have a safe and relaxing break and we look forward to welcoming you all back at the beginning of term 3. School returns, Monday 11th July.

Fiona Carson - Principal

Goodbye Chaplain Bec.

Sports News

Regional Cross Country

Last Friday, Judd Campbell and Liv Day competed at the Regional Cross Country event which was held in Benalla. This event invites the best distance runners from the Shepparton, Seymour, Wodonga and Wangaratta areas. Judd just missed advancing to the State Championships, running in 14th place. Liv had a great run, placing 6th overall. She will now head to Melbourne in July to compete against the best 12/13 year old female runners across the state. Congratulations to both Judd and Liv. All the best for the next event, Liv.

District Sports Carnival.

Under damp and fresh conditions, some Year 5/6 students participated in the District Sports Carnival today, held in Wangaratta. Our team of footballers certainly looked a tad wet and dirty after diving around the muddy grounds, but they all had smiles on their faces whilst getting down and dirty. The netballers had to make sure that they were secure on their feet. Slipping on asphalt courts does come with a certain amount of trepidation. At the time of writing the newsletter, the results were unknown.

After nearly six years at Appin Park, I am leaving with happy memories and so much more knowledge than before I started.

Thank you to the teachers for allowing me to be part of your classrooms.

Thank you to Nicole and the ES Staff for your support and encouragement in my day to day adventures.

Thank you to the students for your daily smiles, and for sharing your worries and concerns, and for allowing me to offer a little bit of help where I could.

Thank you to the parents of Appin Park for allowing me to be a part of your children's lives. They have brought me a tremendous amount of joy, and I am truly grateful.

And thank you to Mrs Carson for her leadership, her care, and her generosity in allowing me to do my job with freedom and trust.
