

APPIN PARK PRIMARY SCHOOL NEWSLETTER

9th May, 2019

Hello Everyone,

A full week with all year levels at school, it is nice to have a relatively normal week! With professional learning and illness I have been laid low this week. A big thanks to Mrs Martin, Mrs Carson, Nicole and all teachers and staff for holding the fort in my absence.

Very positive feedback has come from the 3/4 Camp last week. Well done to the 3/4s for having a go at all of the activities and for their behaviour. Also, a big thanks to all of our teachers and staff for their work. They give up their own time to work 24/7 for 3 days in order for our kids to have these great experiences and this is very much appreciated.

Congratulations to Connor, Jazhara, Imogen and Azra on their Gumleaf Awards. Connor chose free time with a friend, Jazhara bakery lunch, Imogen chose music in the classroom and Azra a class game.

Well done to Tara and Chevy on their Appin Star Awards.

Kinder visits

We have started our Kinder Visits for this year. Grade 4 or 5 students head to our local kinders and read a story to a small group. The kinder kids then answer questions about the story and draw a picture. This is great for practising reading fluency and the kinder kids love having the older students read to them.

NAPLAN

All families of Year 3 and 5 children should have received a letter regarding details of this year's NAPLAN in school bags yesterday. There is information regarding the testing and links to the VCAA website for further information. Testing will take place next week.

Professional Learning

Last week we continued our work with Professor Peter Sullivan as he modelled lessons at Yarrunga Primary. There is a huge amount of work going on behind the scenes as we work with Peter on our numeracy teaching and our Teacher Partners on reading. There is a lot to look forward to as we all strive to continue in our core work of improving the outcomes for our kids with the support of experts in the field.

Enjoy the rest of the week and the weekend!
